09:30 – 13:00 Session 5

Focus: Scope

This will be an interactive segment to begin the methodical approach to agree on which indicators are initially within the scope of the WG in order to focus the work. The focus will be on the scope -

- The indicators: what are the criteria for inclusion in the scope of the WGGI
 - geospatial information definitively **informs** the indicator directly
 - geospatial information definitively **support and augment** statistical data
 - geospatial information definitively **improves the production** of statistical data
 - geospatial information definitively **improves disaggregation** of statistical data
- Methodologies: identify and agree quality requirements
- Short presentation of the indicators in scope
 - description and why could they be in scope
 - discussion on specific indicator
- Decision about which 6-9 indicators to focus on for breakout sessions
- Methodology for afternoon breakout sessions

Lunch

13:00 – 14:00 p.m.

Afternoon 14:00 – 17:00 Session 6

Session

14:00 p.m. -

17:30 p.m.

Focus: Indicators

This will be a breakout interactive working segment where each group will methodically approach 2 – 3 prior agreed indicators (as per agreed criteria) and -

- Discuss how geospatial information helps (inform, support, augment, improve) the specific indicator
- Evaluation of methodology based on quality indicators
- Identify areas for improvement
- Propose required WGGI activity for the indicator (“who, what and when”)

17:00 – 17:30 **Summarising Day #2**

This segment seeks to summarise and bring together key threads of the discussions and interactions in preparation for Day #3

Wednesday 14 Dec 2016

Morning Session **09:00 – 09:30** **Preparing for Day #3**

09:00 a.m. - 13:00 p.m. This segment seeks to recap salient outcomes and conclusion from Day #1 and Day #2, set the scene for Day #3

09:30 – 13:00 Session 7 **Focus: Plan of Action**

This will be an interactive segment to begin discussion on methodology, data sources and their appropriateness and applicability, data disaggregation and areas for further investigation and study. The focus will be on a plan of action including milestones -

- discussion on methodology
- discussion on suitability of data sources
- discussion on disaggregation
- areas for further research
- Discuss and agree on “who, what and when” for this development

Lunch 13:00 – 14:00 p.m.

Afternoon Session **14:00 – 16:00** Session 8 **Wrap-up and Way Forward**

14:00 p.m. - 16:30 p.m. This segment seeks to review the outcomes, conclusion and agreement achieved at the EGM and formulate a way forward for the WG including -

- EGM summary, plan of action and milestones
- Review of 2016/2017 Work Plan
- Consideration for Second Expert Group Meeting
- Way forward

16:00 – 16:30 Session 9 **Closing**

This final segment includes concluding and closing remarks by -

- Secretariat (Mr. Greg Scott, UNSD)
- Co-Chair (Ms Marie Haldorson, Sweden)
- Co-Chair & Host (Mr. Rolando Ocampo Alcantar, Mexico)
