## Expert Group on Land Administration and Management

ggim.un.org

## A large circular collage composed of numerous small icons arranged in a dense, overlapping pattern. The icons are primarily blue and grey, set against a white background. They represent a wide variety of subjects and concepts, including science (DNA helix, atom symbol, microscope), technology (laptop, smartphone, tablet), education (graduation cap, books, pencil), nature (apple, lightbulb), sports (bicycle, airplane), and general objects (globe, clock, magnifying glass). The overall effect is a comprehensive visual representation of diverse knowledge and learning domains.
