

Review of Compendium on Licensing of Geospatial Information

Dear Colleague

At its 7th Session, the Committee of Experts on Global Geospatial Information Management (UN-GGIM) expressed its appreciation for the development and preparation of the **Compendium on Licensing of Geospatial Information** that has had reviews and consultation. In endorsing the terms of reference, the Committee requested the Working Group to finalize the Compendium through a consultation process involving the regional committees on global geospatial information management and other relevant stakeholders.

We invite you to review the draft Compendium and provide your feedback using the template below. Please submit your contribution to this review to Ms. Vilma Frani (email: frani@un.org).
