

Decision

2010/240

Global geographic information management

At its 43rd plenary meeting, on 21 July 2010, the Economic and Social Council, recalling resolution 7 of the eighteenth United Nations Regional Cartographic Conference for Asia and the Pacific, in which the Conference requested the Secretary-General to initiate discussions and prepare a report, for a future session of the Council, on global coordination of geographic information management,¹ and decision 41/110 of the Statistical Commission, in which the Commission requested the Secretary-General to prepare a report outlining a global vision for geographic information management to be submitted to the Council,² decided to request the Secretary-General to submit to the Council at its substantive session of 2011 a report on global geographic information management under the sub-item entitled “Cartography”.
