Information Note

Foreword

Thank you for confirming your participation at the upcoming International Workshop on the Implementation Guide of the Integrated Geospatial Information Framework.

The goal of this International Workshop is to review, refine, improve and ready the draft Implementation Guide for the consideration of the UN-GGIM Committee of Experts.

The Workshop will be hosted by the United Nations Economic Commission for Africa (ECA) which is leading the UN-GGIM: Africa initiative, the United Nations Statistics Division of DESA, as the Secretariat for UN-GGIM, and supported by the World Bank.

Venue

The Conference will be held in the United Nations Conference Centre, at the headquarters of the Economic Commission for Africa (ECA).

The address of ECA is:

Menelik II Avenue,

P.O. Box 3001, Addis Ababa, Ethiopia

Tel: 251-11-544-5000

Addis Ababa, Ethiopia

Please read the following information carefully, as it will help you to plan your travel to Addis Ababa.

Immigration requirements

All participants coming from countries in which there are Ethiopian embassies or consulates are strongly advised to obtain their Ethiopian visas prior to arrival in Ethiopia. For participants who are not able to process their visas in advance, ECA will make a request for them to be given business visas upon arrival at Bole International Airport.

In order to assist participants in obtaining visas upon arrival, the secretariat needs to receive the following particulars at least **five working days** before arrival at Bole International Airport:

- (1) Full name;
- (2) Nationality;
- (3) Passport Number
- (4) Passport Date of Expiry
- (5) Flight details (arrival and departure).

Participants requesting visas upon arrival should carry with them their personal **official letter of invitation** for the event, so that they can show it to the immigration authorities at Bole International Airport.

ECA will provide assistance for those who require visa upon arrival at the Bole International Airport.

Please note that an Ethiopian visa costs US\$ 30 or the equivalent in euros per person. Payment must be made in either US dollars or in euros at the time of issue. For media, the cost of a visa is US\$ 40 or the equivalent in euros. Holders of diplomatic and service passports and United Nations Laissez-Passer will receive visas gratis. Bank receipts for money changed at the airport must be kept securely as they may be asked for upon departure.

Registration and identification badges

Government delegations are welcome and will be nominated through the appropriate governmental entities. Nominations should be sent to the UN-GGIM Secretariat (Ms. Vilma Frani, email: frani@un.org).

Representatives from international organizations and the private sector active in the field of global geospatial information management are welcomed on verification of their credentials. Interested parties should contact the UN-GGIM Secretariat for further information and confirmation.

For security reasons, identification badges should be worn by all participants at all times, during the Conference as well as during official social functions.

On-site Registration will start from Monday, 22 April 2019 and will take place at the Delegates Registration Building, which is located at the pedestrian entrance (Gate 2) of the ECA compound.

Hotel accommodation

Contacted participants are requested to confirm their participation to ECA as soon as possible, but not later than **12 April 2019**. Temporary importation of laptops and other conference/exhibition equipment

To comply with the import customs regulations of the Government of Ethiopia, participants should declare laptops and any conference equipment they may be bringing with them into the country. In order to be assisted with the temporary importation of the above items, participants should send the detailed specifications of the items to be brought in, together with their arrival and departure details, to the secretariat of the Conference, one month before the date of the conference at the latest. Detailed information on the focal points will be posted on the website of the Conference shortly. The items will be registered for temporary import by the customs office and they will be taken out of the country at the end of the Conference.

Journalists coming into the country with professional cameras will need to bring two passport-sized photos with them and pay a fee of 1,000 Ethiopian birr upon arrival.
