

## Draft Agenda – as of 3 October 2019

### DAY 1 - Tuesday, 8 October 2019

**08.45 –** Welcome and Coffee  
**09.00**

15 mins

**09.00 –** Session 1 - Meeting Opening

**10.00** This session will provide opening remarks from the co-Chairs and the hosts, allows for introductions, and sets the scene for participants.  
60 mins

#### **Welcome Remarks**

Mr. David Henderson, Ordnance Survey GB, United Kingdom

Mr. Chris Gale, Office for National Statistics, United Kingdom

Mr. Martin Brady, co-Chair EG-ISGI and Australian Bureau of Statistics, Australia

Mr. Greg Scott, UN-GGIM Secretariat

#### **Announcements: Safety and Housekeeping**

Mr. Chris Gale, Office of National Statistics, United Kingdom

#### **Round of Introductions**

Members of the EG-ISGI and Invited Observers

#### **Introduction: Meeting Agenda and related organisational matters**

Mr. Martin Brady, co-Chair EG-ISGI and Australian Bureau of Statistics, Australia

Mr. Greg Scott, UN-GGIM Secretariat

#### **Group Photograph**

Members of the EG-ISGI and Invited Observers

Followed by moderated discussion

**10.00 –** Session 2 – Setting the scene and reviewing the progress of the EG-ISGI

**11.30** This session reviews the progress achieved by the EG-ISGI, including a review of the outcomes of the 50th session of the Statistical Commission (UNSC), the ninth session of UN-GGIM, the global consultation undertaken by the EG-ISGI for the GSGF, and the adoption of the GSGF. Furthermore, the UN-GGIM Secretariat will set the scene for the EG-ISGI, updating it regarding recent developments within the Integrated Geospatial Information Framework (IGIF) and the 2030 Agenda for Sustainable Development demonstrating how they intersect and can support the work of the EG-ISGI (and vice-versa).  
90 mins

**Moderator:** Mr. Sergio Carrera, INEGI, Mexico

#### **Outcomes from the 50th UNSC and the Ninth Session of UN-GGIM (20 min presentation)**

Mr. Martin Brady, co-Chair EG-ISGI and Australian Bureau of Statistics, Australia

#### **Interlinkages between the 2030 Agenda for Sustainable Development, the GSGF, and the IGIF (25 min presentation)**

Mr. Greg Scott, UN-GGIM Secretariat

Followed by moderated discussion

11.30 –  
13.00  
90 mins

### **Session 3 - The GSGF: Broader context and connections**

*This session will provide presentations and discussion on the complementary activities (such as the GEOSTAT project) to help shape the future work plan of the EG-ISGI and hear updates regional regarding regional interoperability efforts.*

**Moderator:** Mr. Martin Brady, co-Chair EG-ISGI and Australian Bureau of Statistics, Australia

#### **The OGC Statistical Domain Working Group (10 min presentation)**

Mr. Chris Gale, Office of National Statistics, United Kingdom

#### **GEOSTAT 4 – Enterprise Architecture and other endeavours (10 min presentation)**

Ms. Rina Tammisto, Statistics Finland

#### **Regional Interoperability Efforts (40 mins):**

*Brief (5-10 minute) oral updates from the floor on regional forums, e.g. UN-GGIM and UNSC groups, UN-GGIM Regional Committees, Eurostat, etc.*

*Followed by moderated discussion*

13.00 –  
14.00  
60 mins

### **Lunch**

14.00 –  
16.00  
120 mins

### **Session 4a - GSGF Implementation promotion and support**

*This session will help develop plans to promote awareness, capacity building and implementation of the GSGF, through shared dialogue. This session will include two segments, one which considers National and Regional Perspectives on Statistical and Geospatial Capacity Building, the second considering Global Efforts of Statistical Geospatial Integration.*

**Moderator:** Mr. Greg Scott, UN-GGIM Secretariat

#### **Implementing the GSGF at the country level (2 x 10 min presentations)**

Mr. Jerker Mostrom, Statistics Sweden, Sweden

Mr. Vincent Loonis, INSEE, France

#### **The requirements of developing countries (2 x 10 min presentations)**

Mr. Alex Mudabeti, Namibia Statistics Agency, Namibia

Mr. Omar Al-Mehdari, Central Statistical Bureau, State of Kuwait

14.00 –  
16.00  
120 mins

### **Session 4b - GSGF Implementation promotion and support (cont.)**

**Moderator:** Mr. Tim Trainor, ICA

#### **Working to build capacity across the globe: Fostering international collaborations in Statistical – Geospatial Integration (2 x 10 min presentations)**

Mr. Jørn Undelstvedt, Statistics Norway, Norway

Mr Ian Coody, Department for International Development, United Kingdom

*Followed by moderated discussion*

16.00 –  
17.30  
90 mins

**Session 5 – The Integrated Geospatial Information Framework and developing the GSGF implementation materials and guides**

*This session will develop plans that will enable promotion, awareness raising, and capacity building that directly leads to the implementation of the GSGF at national and regional levels. This will be achieved through first examining the good practices and progression of the Integrated Geospatial Information Framework (IGIF) leading towards a general discussion*

**Moderator:** Mr. Greg Scott, UN-GGIM Secretariat

**The IGIF and the GSGF** (25 min presentation)

Mr. Greg Scott, UN-GGIM Secretariat

**Developing Guidance to Implement the GSGF** (15 min presentation)

Co-Chairs of the EG-ISGI

**General discussion – seek to reach an agreed prioritised set of achievable, allocated tasks**

Members of the EG-ISGI

## DAY 2 - Wednesday, 9 October 2019

**09.00 –  
09.30**

30 mins

### Reconvening and Review for Day 2

**09.30 –  
12.30**

240 mins

### Session 6 – Prioritisation of upcoming EG-ISGI plans and activities

*This session will enable discussion and identification for the next priority areas of work for the EG-ISGI, including supporting implementation of the GSGF, development of guidance materials and alignment with the work and activities of UN-GGIM and the UNSC.*

**Moderator:** Mr. Martin Brady, co-Chair EG-ISGI and Australian Bureau of Statistics, Australia

**Identifying the main future elements of the EG-ISGI's upcoming work plan and activities** (20 min presentation)  
Co-Chairs of the EG-ISGI

**General discussion – seek to reach an agreed prioritised set of achievable, outcomes, activities and allocated tasks.**

Members of the EG-ISGI

**12.30 –  
13.30**

60 mins

### Lunch

**13.30 –  
15.00**

90 mins

### Session 7 – Ongoing Modalities of the EG-ISGI

*This session considers the ongoing modalities of the EG-ISGI's, including refining its Terms of Reference and developing its Work Plan for the biennium of 2020 - 2021.*

**Moderator:** Mr. Greg Scott, UN-GGIM Secretariat and Co-Chairs of the EG-ISGI

**The Modalities of the EG-ISGI** (20 min presentation)  
Co-Chairs of the EG-ISGI

**General discussion – seek to reach agreed refinements to the Terms of Reference and drafted work plan**

Members of the EG-ISGI

**15.00 –  
15.30**

30 mins

### Review and Summation

*This session reviews the meeting of the EG-ISGI, providing closing remarks from the co-Chairs and hosts.*

**15.30 –  
17.30**

120 mins

### Interoperability and the OGC Statistical Domain Working Group

*The Open Geospatial Consortium discusses its ongoing work to support open geospatial information standards, enabling technologies and approaches such as the Discrete Global Grid Service and the Table Join Service, and their work regarding the Statistical Domain Working Group. The EG-ISGI is invited to attend.*

**Moderator:** Mr. Chris Gale, Office of National Statistics, United Kingdom
