

# **Committee of Experts on Global Geospatial Information Management**

## **Tenth session**

New York, 26- 27 August 2020 and 4 September 2020

Item 5 of the agenda

## **Integrated Geospatial Information Framework (for discussion and decision)**

<i>Statement provided by:</i> Canada	
<i>Statement:</i>  On behalf of Canada, I wish to commend the Bureau, the Secretariat, the World Bank and contributing countries for their outstanding leadership and collaborative work in developing the Integrated Geospatial Information Framework Implementation Guide.  The Implementation Guide is a fundamental voluntary resource for all countries seeking to develop and improve integrated geospatial information management. It draws on global expertise, and I trust will be valuable to our collective efforts to achieve the sustainable development goals.  Subject to its refinement and finalization, Canada supports its adoption by the Committee.  Thank you.
