

**Committee of Experts on Global Geospatial
Information Management**

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 11 of the agenda

**Marine geospatial information
(for discussion and decision)**

<i>Statement provided by:</i> Sweden	
<i>Statement:</i> Sweden endorses the report and would like to congratulate the working group for an excellent report and the progress it has made. Sweden supports the recommendations stated in the White Paper and emphasises the importance of the outcome of the case studies as an input to the Integrated Geospatial Information Framework.
