

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 4 of the agenda

Contribution of regional committees and thematic groups to the global geospatial information agenda (for information)

<i>Statement provided by:</i> Mexico	
<i>Statement:</i> Mexico recognizes the work and achievements of the regional committees and the various working groups that derive from them and that have been carrying out activities aimed at strengthening and increasing the use of geospatial information for multiple purposes. Mexico intends to continue supporting and backing the challenge of the Regional Committee of the Americas in maintaining communication with Member States to follow up on established projects and continue with the pace of activities in response to COVID-19.
