

**Committee of Experts on Global Geospatial
Information Management**

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 5 of the agenda

**Integrated Geospatial Information Framework
(for discussion and decision)**

<i>Statement provided by:</i> Japan	
<i>Statement:</i> Japan congratulates the team for completing the global consultation draft of the Integrated Geospatial Information Framework. Japan has been keenly interested in the Strategic Pathway for Capacity and Education, among other pathways like Partnership, Innovation, Communication and Engagement because Japan believes that capacity building is one of the most important aspect of GGIM.
