

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 6 of the agenda

Global geodetic reference frame (for discussion and decision)

<i>Statement provided by:</i> UN-GGIM: ARAB STATES	
<i>Statement:</i> UNGGIM-Arab States acknowledges the work done and presented in the Subcommittee on Geodesy report and we would like to extend our appreciation to all efforts in the contribution of developing this report. We also support the agreement on the use of ITRF / ITRS global geodetic reference system and frame as well as the implementation of the GGRF Roadmap and the governance Position Paper. UN-GGIM Arab States have started a broad consultation with our members regarding the offer of the Federal Republic of Germany to host a Global Geodetic Centre of Excellence in Bonn.
