

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 6 of the agenda

Global geodetic reference frame (for discussion and decision)

<i>Statement provided by:</i> Japan	
<i>Statement:</i> Japan appreciates the Subcommittee and its Working Groups for the work accomplished during the intersessional period, especially development of Draft Position Paper on Sustaining the Global Geodetic Reference Frame (GGRF) and Draft Concept Paper on Establishing a Global Geodetic Center of Excellence (GGCE). Japan also appreciates and supports Germany for its proposal to host the first GGCE as a member of the Subcommittee and the chair of GGIM-AP Working Group on geodetic reference frame. Japan reassures its commitment to contributing to the GGRF through the global and regional activities.
