

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 7 of the agenda

Geospatial information for sustainable development (for information)

<i>Statement provided by:</i> UN-GGIM: Arab States	
<i>Statement:</i> UN-GGIM Arab States welcomes the summary report prepared by the UN-GGIM Secretariat and the working plan prepared by the Inter-Agency and Expert Group on the Sustainable Development Goal Indicators (IAEG-SDGS) Working Group on Geospatial Information. UN-GGIM Arab states acknowledges the importance of authoritative geospatial data, sound legal and policy framework that promotes its sharing & integration as an essential enabler for managing national sustainable development initiatives.
