

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 9 of the agenda

Application of geospatial information related to land administration and management (for discussion and decision)

<i>Statement provided by:</i> Ireland, Head of Delegation Colin Bray, Chief Executive and Chief Survey Officer at Ordnance Survey Ireland	
<i>Statement:</i> Ireland welcomes the report presented by the Expert Group positively noting its progress and activities since the ninth session including the broad global consultation and iterative review and editing process applied in consolidating the final draft of the Framework for Effective Land Administration. Ireland notes positively that it is fully aligned with the IGIF, has been designed for both the developing and developed context, and acts as an overarching policy guide supporting the achievement of the SDGs.
