

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 5 of the agenda

Integrated Geospatial Information Framework (for discussion and decision)

<i>Statement provided by:</i> Malaysia	
<i>Statement:</i>	
<ul style="list-style-type: none">- Malaysia supports and congratulates the UN-GGIM Secretariat and World Bank on their work and progress made for the Integrated Geospatial Information Framework (IGIF), especially on the completion of the the global consultations for Part2: Implementation Guide.- The IGIF documents have been considered and found to be acceptable as a tool and mechanism to further improve our national geospatial data infrastructure with the 9 strategic IGIF components.
