

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 8 of the agenda

Integration of geospatial, statistical and other related information (for information)

<i>Statement provided by:</i> Philippines	
<i>Statement:</i> <i>The Philippines takes note of the significant work of the Experts Group and commends the Group for advancing its work on the Global Statistical Geospatial Framework (GSGF) focusing on the efforts to guide and support the work of Member States in implementing and operationalizing the GSGF as embodied in its revised Terms of Reference and Work Plan for 2020-2022.</i> <i>The Philippines support for the GSGF is exemplified in the strong linkage between the country's national mapping agency and statistics authority thus reinforcing the integration of statistical and geospatial information.</i>
