

## **Committee of Experts on Global Geospatial Information Management**

### **Tenth session**

New York, 26- 27 August 2020 and 4 September 2020

Item 13 of the agenda

### **Implementation and adoption of standards for the global geospatial information community (for information)**

<i>Statement provided by:</i> UN-GGIM: Europe	
<i>Statement:</i>	
<ul style="list-style-type: none"><li>• UN-GGIM: Europe notes the report submitted by the SDOs, acknowledging with appreciation the progress made in standards development and the implementation of standards, particularly in supporting the measurement and monitoring of the Sustainable Development Goals.</li><li>• The Regional Committee also notes with interest how the SDOs have supported the continued development of the Integrated Geospatial Information Framework, primarily through Strategic Pathway 6: Standards of Part 2: Implementation Guide.</li><li>• UN-GGIM: Europe continues to encourage Member States to participate in the international geospatial standards development process through membership of the three SDOs and active input into their work.</li></ul>
