

**Committee of Experts on Global Geospatial
Information Management**

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 5 of the agenda

**Integrated Geospatial Information Framework
(for discussion and decision)**

Statement provided by:

Aligarh Muslim University, India

Statement:

As a member of the academic network, this University encourages to other higher academic institutions of our nation to prepare and follow the Framework, highlighting how relevant the geospatial information is. Further, the institutions should also explore the means and the ways of usage of the Framework to be utilized while exploiting accessible and available technologies. This will support the developing countries and regions to establish and enhance the geospatial capabilities.
