

# **Interprefy Connect**

## **Pro (Classroom)**

### User Guide for Speakers

# 1. Before you begin

**Internet connection:** Recommended bandwidth of 4mbps up/down or higher. Ethernet connection is preferred.

**Recommended browser:** Google Chrome, Firefox or Edge (avoid using Internet Explorer or Safari).

**Headset and webcam** (for participants with an active speaking role): The use of a headset avoids echoes. Plug in your headset before starting.

**Optimal conditions:** Choose a quiet environment without background noise, with good lighting. Keep your microphone muted until it is your turn to speak.

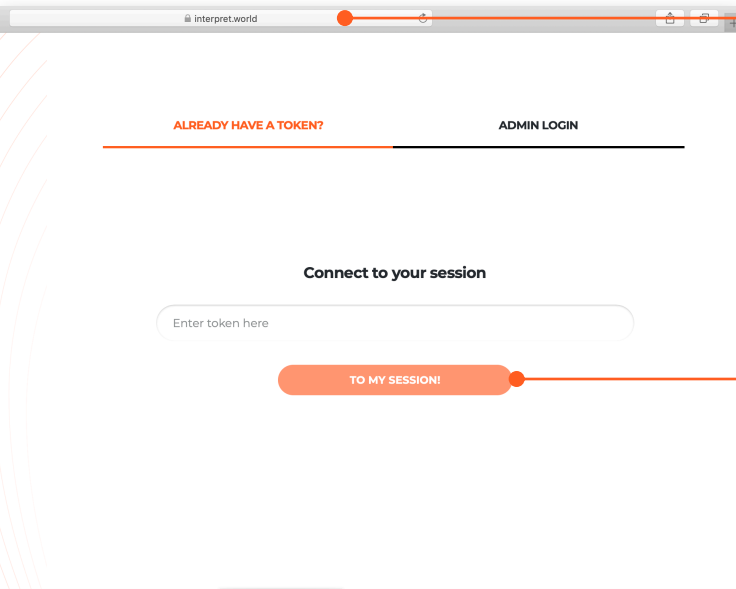

**Device:** Use a desktop or laptop. (if necessary because of internet issues in certain locations, additional assistance may be requested to connect from a mobile device).
