

**Eighth Session of the Committee of Experts on  
Global Geospatial Information Management**

**Meeting of the  
Working Group on Legal and Policy Frameworks for  
Geospatial Information Management**

**Thursday, 2 August 2018**

**2:00 p.m. – 3:00 p.m.**

**Venue: Conference Room 11 (CR-11)**

**United Nations Headquarters, New York**

---

During the eighth session of the Committee of Experts, the Working Group on Legal and Policy Frameworks for Geospatial Information Management will organize a side event on Monday, 30 July 2018 that seeks to raise awareness of participants on the importance and need to engage in multi-stakeholder discussions on legal and policy issues that could have an impact on the acquisition, accessibility and application of geospatial information. In addition, the Working Group will also convene a meeting to review its activities and progress to date including outcomes from the side event, and address matters related to its activities and upcoming events.

This meeting will be open to national delegates to the eighth session of the Committee of Experts, and allow participants to engage the Working Group and gain an appreciation for its objectives, functions and activities.

**Provisional Agenda**

1. Opening Statements by the Chair
2. Round of introductions
3. Work plan for 2018 - 2019
4. Review of activities and progress to date
  - Outcome of the side event on Monday, 30 July 2018
  - Compendium on the Licensing of Geospatial Information Management
  - Proposed first physical meeting of the Working Group, November 2018, Deqing, China
