

YGPS

Young  
Geospatial  
Professionals  
Summit

---

21 November 2018 Deqing, China

*"Release your energy and  
ignite your spark"*

## Welcome to the 1st YGPS here at the UNWGIC

---

Passionate about this world and how our profession can create this better world

Why this YGPS?

Opportunity for the young geospatial professionals within our global community to share

Our observations and experiences, in our quest to contribute to the 2030 agenda

YGP must be, and are part of our sustainable future

Leveraging GI, technologies and services for effective solutions and actions

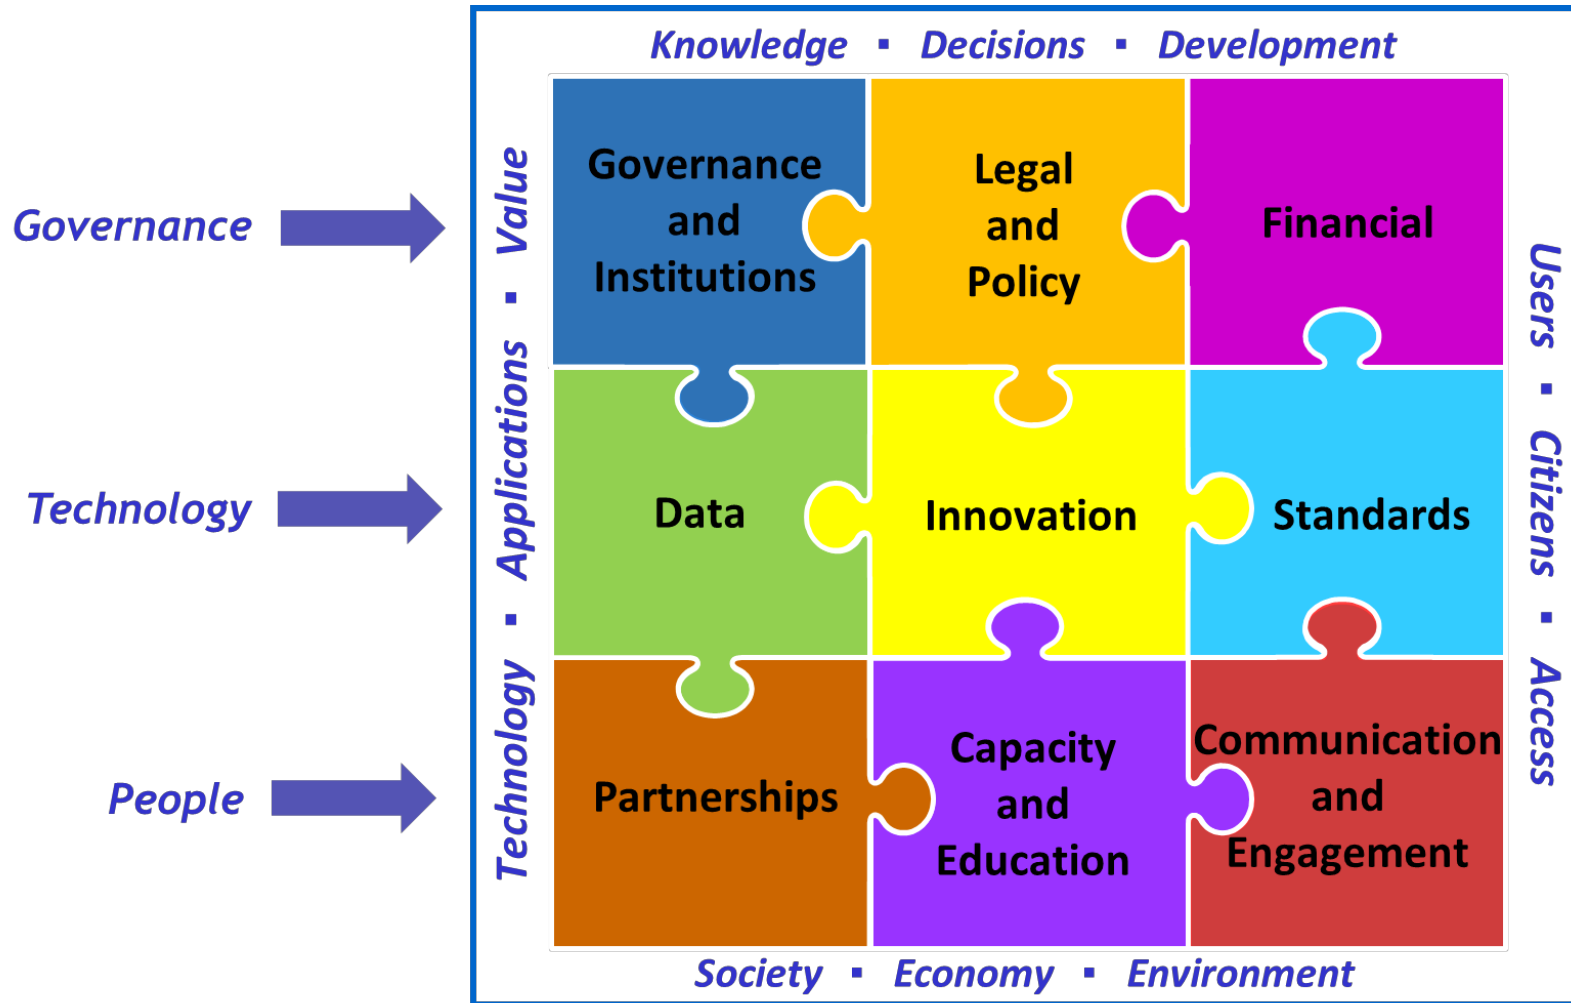

Magic and effectiveness of the summit to meet, to interact, to share, to learn and

*To Inspire and To Be Inspired*
