Getting social at UNWGIC

These are the pillars of the #webwavevant.
Digital development and #DigitalCooperation will continue to remain a priority if we are to rebuild in a sustainable way.

Thanks @RIKSA for taking us on the #ImpactOnHumanity journey.

And … don’t forget to @people!
Now it’s time to mingle!

- Be brave
- Find three people not yet in your network
- Find out what they do
- Ask for their social media accounts and agree to follow each other
- Follow Women in Geospatial and join our network
