UN-GGCE - Geodesy Capacity Development Workshop for Europe on Transitioning to a Modern Geospatial Reference System

17-21 February 2025, Bonn, Germany

List of Participants

1. Constantin Osoianu (Agency for Geodesy, Cartography and Cadastre, Moldova)
2. Martin Lidberg (Lantmäteriet, Sweden)
3. Karin Kollo (Estonian Land Board, Estonia)
4. Saulius Urbanas (Ministry of Environment, Lithuania)
5. Klemen Medved (Surveying and Mapping Authority of Slovenia, Slovenia)
6. Darko Burovski (Agency for Real Estate Cadaster, North Macedonia)
7. Kristian Bjerge Evers (Danish Climate Data Agency, Denmark)
8. Franz Blauensteiner (Federal Office of Metrology and Surveying (BEV), Austria)
9. Christophe Hess (National Mapping Agency (Administration du Cadastre et de la Topographie), Luxembourg)
10. Thierry Olivier Gattacceca (Institut National de l'Information Géographique et Forestière, France)
11. David Mayer (Federal Office of Metrology and Surveying, Austria)
12. Ivars Liepiņš (Latvian Geospatial information agency, Latvia)
13. Tobias Arnell (Norwegian Mapping Authority, Norway)
14. Emine Tanir Kayikci (Karadeniz Technical University, Turkey)
15. Petri Marko Tapani Ollikainen (National Land Survey of Finland, Finland)
16. Dimitrios Psychas (European Space Agency (ESA), Netherlands)
17. Panagiotis Elias (University of Patras - National Observatory of Athens, Greece)
18. Gro Grinde (Norwegian Mapping Authority, Norway)
19. Lotfi Massarweh (Delft University of Technology, Netherlands)
20. Vincenza Tornatore (Politecnico di Milano, Italy)
21. Kristian Villadsen Kristmar (Danish Geodata Agency, Denmark)

22. Andrii Halaida (State Service of Ukraine for Geodesy, Cartography and Cadastre, Ukraine)
23. Oltjon Balliu (Authority for Geospatial Information (ASIG), Tirane)
24. Oleksandr Prokhorchuk (Research Institute of Geodesy and Cartography, Ukraine)
25. Rebekka Steffen (Lantmäteriet, Sweden)
26. Kairat Mauliyev (Ministry of Digital Development, Innovations and Aerospace Industry of the Republic of Kazakhstan, Kazakhstan)
27. Meruyert Toibekova (Ministry of Digital Development, Innovations and Aerospace Industry of the Republic of Kazakhstan, Kazakhstan)
28. Martin Sehnal (BEV - Federal Office of Metrology and Surveying, Austria)
29. Jeffrey Verbeurgt (NGI Belgium, Belgium)
30. Zuheir Altamimi (International Association of Geodesy, France)
31. Daniel Willi (Federal Office Of Topography swisstopo, Switzerland)
32. Johannes Bouman (Federal Agency for Cartography and Geodesy (BKG), Germany)
33. Hannes Frings (Federal Agency for Cartography and Geodesy (BKG), Germany)
34. Zeljka Jakir (Norwegian Mapping Authority, Norway)
35. Bernd Krickel (District government of Cologne, Germany)
36. Wolfgang Söhne (Federal Agency for Cartography and Geodesy (BKG), Germany)
37. David Hemfrey (Department for Science, Innovation and Technology, United Kingdom)
38. Samuel Nahmani (Institut national de l'information géographique et forestière (IGN France), France)
39. Anne Jørgensen (United Nations Global Geodetic Centre of Excellence)
40. Ryan Keenan (United Nations Global Geodetic Centre of Excellence)
41. Nicholas Brown (United Nations Global Geodetic Centre of Excellence)
42. Sarah Kowal (United Nations Global Geodetic Centre of Excellence)
43. Jan Dostal (United Nations Global Geodetic Centre of Excellence)
44. Liubov Poshyvailo-Strube (United Nations Global Geodetic Centre of Excellence)
45. Walaa Allahham (United Nations Global Geodetic Centre of Excellence)
