invite 3rd UN EG-ISGI meeting April 2016.docx Members-EG-ISGI-03-02-2016.doc

Dear all

Please see attached an invite to the 3rd meeting of the UN Expert Group on the Integration of Statistical and Geospatial Information. The meeting will take place in April 2016, in Paris, and has been arranged to coincide with the Conference of European Statisticians where the Integration of Statistical and Geospatial Information is on the CES Seminar agenda.

Both Roland and I look forward to seeing you all there.

Kind regards, Gemma.
