

**International Workshop on Legal and Policy Frameworks
for Geospatial Information Management:
Licensing of Geospatial Information
Nuku'alofa, Kingdom of Tonga
10 – 13 April 2018**

Richard Siataga
GIS/LIS Manager
Department of Justice, Lands & Survey
Ministry of Social Service
Niue Government

- Niue Geospatial database
- Challenges and issues that impact Niue Geospatial Information in issue and dissemination geospatial data.

Department of Justice, Lands and Survey (DJLS) hold all government Geospatial Data

Social Service

- Justice, Lands and Survey
 - Cadastral Boundary
 - Maritime Boundary
 - Bathymetry
 - District Boundary
 - topographic
 - dwellings
 - MPA
 - Satellite Image/Aerial Photo

Infrastructure

- Niue water supply – Bore/reticulation
- Niue Power – power pole/underground cable
- Transport – Road
- Telecom – Fiber cable

Natural Resources

- Agriculture & Fisheries
 - Soil
 - FAD Location

Environment

- Conservation Boundary (PA)
- Vegetation Changes

Challenges/issues

- **No geospatial policy/ legislation** – maybe mention in some policy/ legislation
- **Understanding license**
- **Copyright agreement** – need to follow up
- **Web server**
- **Send and received GIS data through government mail** – (dropbox)
- **Update Satellite image**
- **Data sharing** – within government department/ consultant doing project for the government
- **Data collection** – still data to collect
- **qualify people** - train and encourage school leaver to take up Geospatial

Fakaaue Lahi!!!
