# UN EG-ISGI

## New co-Chairs required

Both current co-Chair terms expire in November 2019: Australia and Mexico have served 2 x 3-year terms.

The Expert Group were notified of the requirement for new co-chairs at GGIM 9 and at the last web meeting.

The co-Chairs invited interest parties to express interest in these positions, as well as canvassing possible Chairs.

A number of candidates nominated or were approached for consideration.

Two candidates have emerged who are interested, available and are supported by their countries.
