

UN-GGIM: Europe Strategy and Work Plan

The refreshed strategy of UN-GGIM: Europe was adopted at the Eighth Regional Plenary in October 2021. Work has since then turned to designing and implementing a Work Plan to achieve the Strategy.

Regional Strategy

Vision & Mission Statement

Building on the overarching vision of UN-GGIM of *positioning geospatial information to effectively address global challenges*, UN-GGIM: Europe mission is:

Maximise the use of geospatial information in Europe for a safer and more sustainable world.

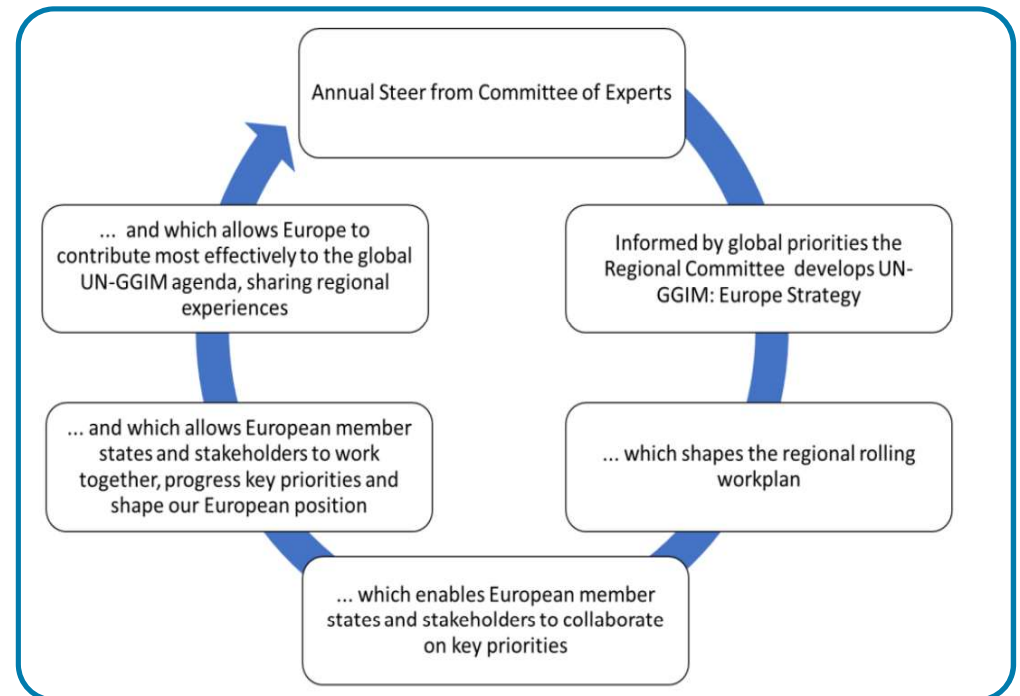

Through identifying opportunities, understanding and solving common challenges across the Europe Region. By collaborating with partners to enhance the use of geospatial data and its integration with statistics to inform and drive action.
