Fourth Expert Meeting of the Working Group on Marine Geospatial Information

30 January to 3 February 2023

Agenda item 5

Implementing the UN-IGIF in the marine domain and development of the UN-IGIF-Hydro Part Two

This is a breakout group work and interactive segment on key elements of the UN-IGIF-Hydro as part of the effort to finalize the draft. The three breakout groups will work together and provide additional inputs and feedback, identify 'red-flags' and gaps needed to be addressed with a view to finalize the draft before subjecting the proposed UN-IGIF-Hydro Part Two to a global consultation process involving Member States and relevant stakeholders.
