

AGENDA ITEM # 3
Working Group Updates
Mobilize Sustainable Funding Working Group

UN·IGIF
INTEGRATED GEOSPATIAL
INFORMATION FRAMEWORK

General

- The working group has three main tasks.
- The working group expressed gratitude to the outgoing co-lead of Jamaica, Ms Simone Lloyd.
- The working group has welcomed co-lead Ms Odete Semião from Mozambique.
- The working group has now welcomed three member states –Cameroon, Mozambique, and Tunisia. Roles and responsibilities will be allocated at the next working group meeting.
- The working group continues to hold monthly meetings and meetings are scheduled well in advance.
- Working Group still requires expertise from Economists and Finance on an ad hoc basis.
- Working Group requires a dedicated administrative support resource.

1

Identify funding sources and modalities to foster and support the implementation of the IGIF.

Task 1

**Responsible
HLG-IGIF Member**

Jamaica and Belgium
Private sector and Academia

Status to date

A draft document titled - Introductory Guide Funding Sources is available.

The draft document includes case studies from several countries and covers areas such as Government Funding, User Fees, Donor Funding, State-owned Enterprise and Partnerships.

The WG took a resolution to develop one guide integrating task 1 and 3

2

Help identify available resources within Member States.

Task 2

Responsible
HLG-IGIF Member

South Africa
Mozambique offered to join the task team

Status to date

Not much progress made due to other pressing priorities

3

Provide guidance to help identify funding and estimate budget/investment for IGIF Country-level Action Plan implementation in developing countries

Task 3

**Responsible
HLG-IGIF Member**

Kingdom of Saudi Arabia

Status to date

Great progress made:
Detailed update (See presentation by Kingdom of Saudi Arabia)
