Planning for Actioning the Strategic Goals

Agenda Item #4

A Closer Look at the Goals

1. Improve Communication

- ✓ Develop and implement a communication strategy.
- ✓ Create awareness on the importance and relevance of the UN-IGIF for policy- and decision-makers as well as for other key stakeholders normally outside the geospatial community.
- ✓ Identify inclusive communication channels for the UN-IGIF.
- ✓ Initiate UN-IGIF forums at global and regional levels to create awareness and realize the benefits from implementation of the UN-IGIF and relevant frameworks such as the GSGF and FELA.
- ✓ Convene consultative meetings on implementation and operationalization of the UN-IGIF.
- ✓ Share and communicate the UN-IGIF in relevant forums as a key umbrella for the many activities under the purview of UN-GGIM.

vs

5. Encourage Collaboration/Exchange/Sharing

- ✓ Support and encourage regional committees of UN-GGIM to establish collaboration related to implementation and use of the UN-IGIF.
- ✓ Provide forums and promote dialogue to enhance intraregional cooperation and foster interregional collaboration.
- ✓ Encourage Member States to actively engage national stakeholders for the implementation of the UN-IGIF and applicable UN-GGIM frameworks.
- ✓ Identify opportunities and encourage collaboration, including with UN-GGIM expert, working and thematic groups, World Bank and associated stakeholders, to support implementation of UN-IGIF.
- ✓ Utilize a broad participant network and include experts in inter-related fields such as policy and legal, management, finance, statistics, education, technology, and others.

Agenda Item #4

A Closer Look at the Goals

3. Strengthen Capacity Development

- ✓ Serve as executive champions of the UN-IGIF promoting its broad implementation and use.
- ✓ Provide guidance and recommend technical support and capacity development for countries in need, to enable the implementation of the UN-IGIF.
- ✓ Assist developing countries to implement the UN-IGIF, particularly those with little or no geospatial capacity.
- ✓ Encourage exchange and sharing of good practices, experiences, successful strategies, and effective implementations of the UN-IGIF.

VS

6. Oversee Improvement and Review

- ✓ Identify gaps and provide recommendations for the improvement of the UN-IGIF.
- ✓ Develop means to assess the effectiveness of the UN-IGIF, identify needs, and understand gaps in the UN-IGIF and its implementation.
- ✓ Support and encourage Member States to assess the effectiveness in implementing the UN-IGIF.
- ✓ Keep pace with changes affecting geospatial information, technology, industries and services.
- ✓ Review, maintain and update key documents and resources as appropriate and/or on a periodic review cycle.
- ✓ Provide recommendations for use cases.

Agenda Item #4

A Closer Look at the Goals

4. Mobilize Sustainable Funding

- ✓ Identify sources and mobilize funding to foster and support the implementation of the UN-IGIF.
- ✓ Use all available resources from members of the HLG-IGIF where each member assumes some level of responsibility.
- ✓ Develop and provide mechanisms to identify funding sources and requirements to support developing countries integrated geospatial information management action plans.
- ✓ Develop approaches to enable the sustained use of geospatial datasets for decision-making and policy-setting.
- ✓ Leverage the HLG-IGIF strategy, considering each of the nine strategic pathways of the UN-IGIF to preserve the full scope of the Framework.

VS

2. Data Governance/Availability/Accessibility

- ✓ Encourage coordination and standardization of fundamental geospatial data themes and respective datasets for the UN-IGIF and other applicable frameworks adopted by UN-GGIM.
- ✓ Develop strategies to promote effective data development and implementation, and secure data sharing.
- ✓ Develop approaches to enable the sustained use of geospatial datasets for decision-making and policy-setting.
- ✓ Leverage the HLG-IGIF strategy, considering each of the nine strategic pathways of the UN-IGIF to preserve the full scope of the Framework.
