IMPLEMENTATION GUIDES 'SUITE OF DOCUMENTS'

Decision 14/105

United Nations Integrated Geospatial Information Framework

(d) Acknowledged the urgency to refine and **finalize the remaining Framework Implementation Guide suite of documents and to digitally publish those documents and resource materials supporting the preparation of country-level action plans**, and requested the Secretariat to prioritize those tasks after the fourteenth session; and further acknowledged the need to mobilize necessary resources, volunteered and extrabudgetary, to support and sustain those efforts;
