REGIONAL CHALLENGES/ ISSUES

Every year since COVID-19, the number of member states actively contribute to or participate in the UN-GGIM-AP activities decreases to less than 50% (from 56).

Lost contacts

Secretariat is tracing back the contact persons for each country

Finding donor for the activities

For Plenary Meeting India agreed to provide accommodation for some member states. UN-GGKIC will also support some countries.

Identity National Priorities

Conduct regional survey regarding member's national priorities and their expectation

Re-arrange the organisational structure

Learning from America with vocals and Europe with co-chairs

Questions:

1. How can vocal be formed like UN-GGIM: Americas can be applied to Asia and Pacific Region? Based on what?
2. Co-chairs: one representing Asia and the other representing Pacific/Oceania?
