

INTEGRATED LAND ADMINISTRATION AND SPATIAL PLANNING PROJECT

UN-IGIF
INTEGRATED GEOSPATIAL
INFORMATION FRAMEWORK

Proposed Component Structure of the Integrated Land Administration and Spatial Planning Project (ILASP)

PDO to improve geospatial information, land administration and spatial planning for climate actions in participating cities and districts of Indonesia.

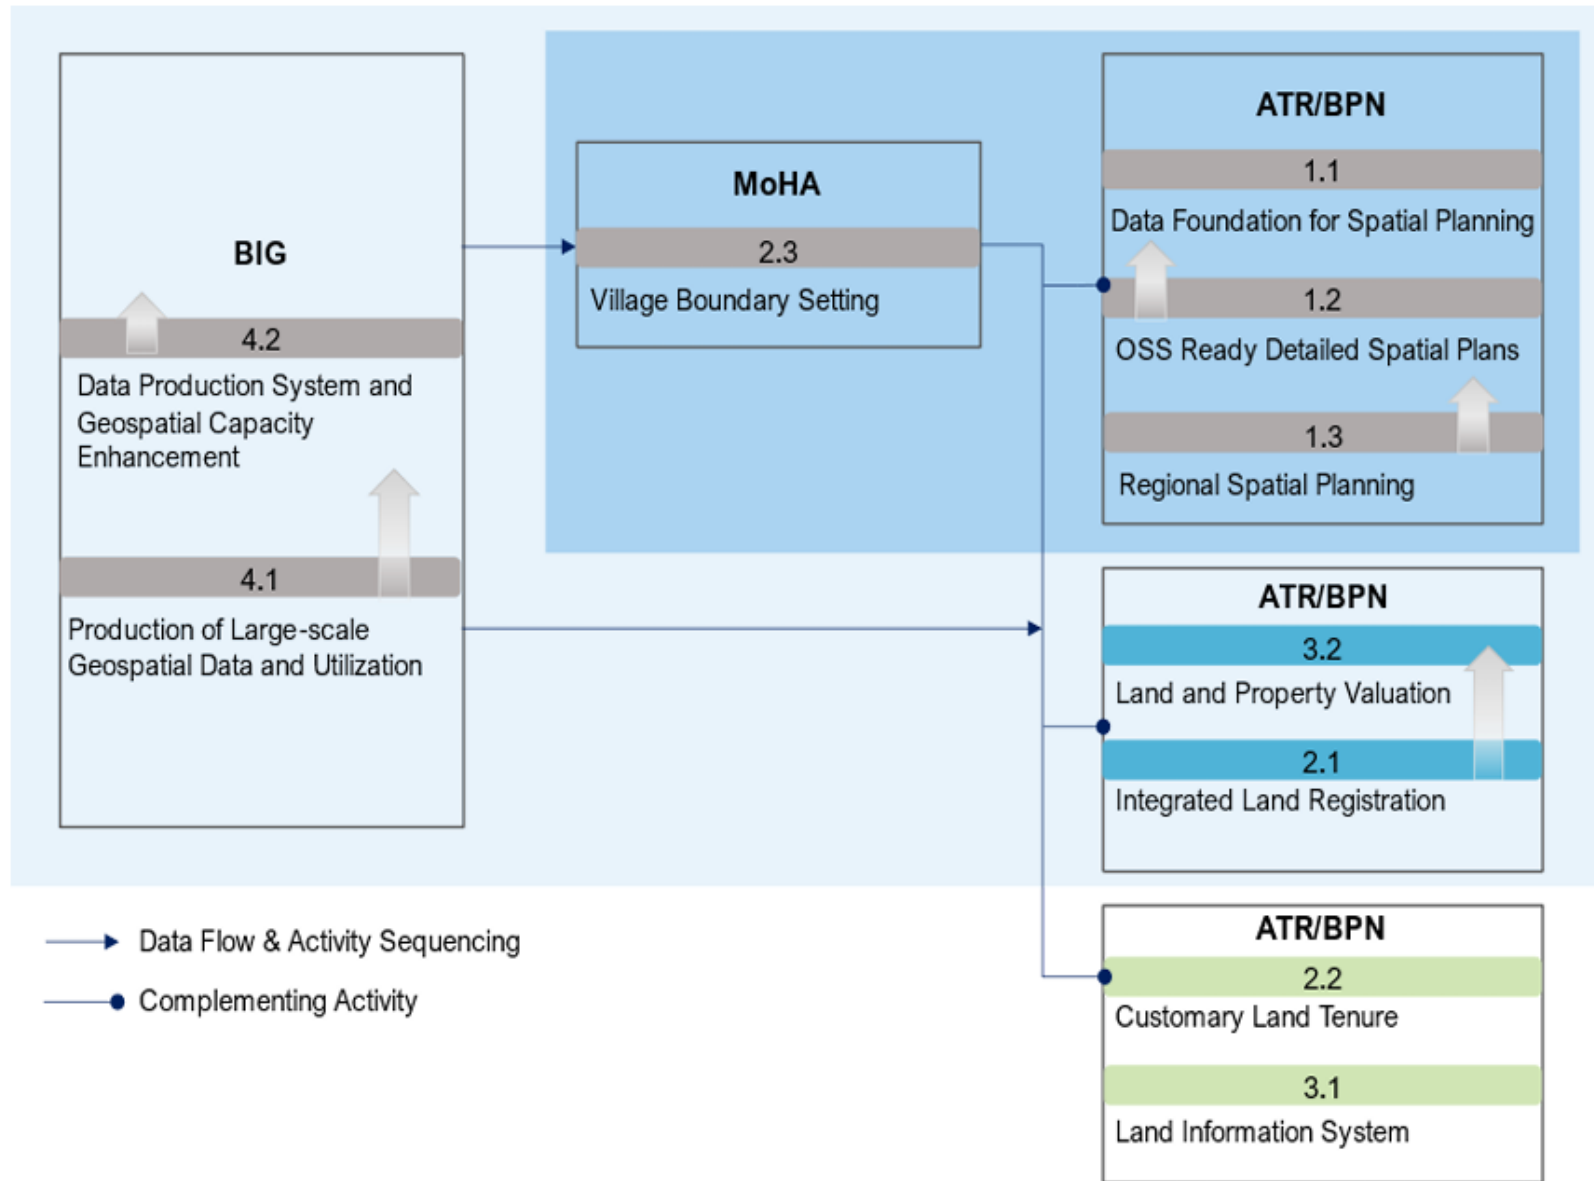

- Sustainable Urban Development and Economic Growth for Local Governments
- Improved Business and Investment Climate
- Climate Resilience and Environmental Sustainability
- Disaster Preparedness, Climate Risk Management, Universal SDI for All
- Adat Recognition, Communal Lands and Gender Equality

The Scope of Integrated Land Administration and Planning Project

1. Provision of Spatial Planning Documents includes 10 RTR-KSN at a scale of 1:50,000 (regional spatial planning) and 500 Detailed Spatial Planning **(Component 1)**
2. Strengthening Land Tenure Security and Landscape Management, including Cadastral Maps; Results of Inventory and Identification of Customary Land, Definitive Boundary Maps for 5,000 villages **(Component 2)**
3. Value-Added Zone (ZNT) Maps, both updates of existing maps and new ZNT Maps **(Component 3)**
4. Large-Scale Base Maps of Land Areas for the entire territory of the Republic of Indonesia except for Sulawesi Island (already using the 2024 State Budget) **(Component 4)**

Framework of ILASP Project and Budget Allocation

ATR/BPN 345,000,000 USD

BIG 298,000,000 USD

MoHA 10,000,000 USD

ATR/BPN: Ministry of Agrarian Reform and Spatial Planning/National Land Agency

BIG: Geospatial Information Agency

MoHA: Ministry of Home Affairs

Regional Committee Expectation to Member States

1. Submit country report to GGIM Secretariat regarding the current status of IGIF Implementation
2. Use Cases, Case Studies, Best Practices, Lessons Learned

1	Awareness and Promotion
3	UN-IGIF Communication Toolkit
4	Communications Strategy
5	Use Cases, Case Studies, Best Practices, Lessons Learned
8	UN-IGIF Collaboration Meetings
11	Country-level Action Plan Development
12	Capacity Building Workshops
15	UN-IGIF Training for Trainers
17	Governance and Legal Framework

REGIONAL COMMITTEE CONTRIBUTION TO IMPLEMENTATION OF UN-IGIF AGENDA

1	Awareness and Promotion
3	UN-IGIF Communication Toolkit
4	Communications Strategy
5	Use Cases, Case Studies, Best Practices, Lessons Learned
8	UN-IGIF Collaboration Meetings
11	Country-level Action Plan Development
12	Capacity Building Workshops
15	UN-IGIF Training for Trainers
17	Governance and Legal Framework
