

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 14 of the agenda

Collaboration with the United Nations Group of Experts on Geographical Names (for information)

<i>Statement provided by:</i> GERMANY	
<i>Statement:</i> GERMANY welcomes the actions taken in further strengthening the collaboration between the Committee and the Group of Experts on a global level. GERMANY supports the transparent process towards the development of UNGEGN's draft strategic plan and programme of work and encourages Members States to contribute to it. GERMANY acknowledges the importance of geographical names as direct link to geospatial data for an effective implementation of the Integrated Geospatial Information Framework (IGIF). GERMANY encourages Member States to strengthen the communication and cooperation between the representatives of both bodies on a national and cross-thematic level. Thank you.
