

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 4 of the agenda

Contribution of regional committees and thematic groups to the global geospatial information agenda (for information)

<i>Statement provided by:</i> Geospatial Societies	
<i>Statement:</i> The Geospatial Societies recognizes the importance of the working agenda of UN-GGIM, especially the Integrated Geospatial Information Framework, which recognizes and integrates most other agenda items of the 10th Session, where members of the Geospatial Societies are active. With the work of our individual societies, our joint efforts, and cooperation with other thematic groups, we fully support the UN-GGIM activities.
