

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 10 of the agenda

Geospatial information and services for disasters (for discussion and decision)

<i>Statement provided by:</i> Japan	
<i>Statement:</i> Japan appreciates the leadership by Jamaica and New Zealand as the chair and the task lead. Japan had to postpone GGIM Working Group Disasters Conference in Tokyo, which was originally planned in February, 2020. Japan appreciates kind understanding from our guests, such as Tonga as the co-chair of GGIM, China as the vice president of GGIM-AP, and Indonesia among other guests. Japan renews its determination to work together with our GGIM colleagues to make progress. Japan would like to welcome any Member States and other bodies to participate in the Working Group on Geospatial Information and Services for Disasters.
