

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 10 of the agenda

Geospatial information and services for disasters (for discussion and decision)

Statement provided by:

European Association of Remote Sensing Companies, EARSC

Statement:

- [EARSC](#) welcomes the report and recommends alignment with the activities done under GEO which supports **disaster resilience** by increasing coordination of Earth observations to forecast and prepare for disasters, to mitigate damage and to better manage and recover from disasters.
