

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 3 of the agenda

Strengthening of geospatial information management (for discussion and decision)

<i>Statement provided by:</i> Kingdom of Saudi Arabia	
<i>Statement:</i> We acknowledges and extends its appreciation for the efforts made by the Expanded Bureau and the Secretariat on strengthening geospatial information management. All the events, activities and reports that they have conducted / created have contributed immensely to this global agenda. We are of the opinion that the report on “Future Trends in Geospatial Information Management: the five to ten year vision” would become a useful reference – hence we have contributed to its development.
