

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 3 of the agenda

Strengthening of geospatial information management (for discussion and decision)

<i>Statement provided by:</i> Carleton University	
<i>Statement:</i> Congratulations to the authors of Future Trends document version three. An excellent report which should be adopted by UN-GGIM. The importance of effective archiving of geospatial information needs to be given more attention by all National Mapping Organisations.
