

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 3 of the agenda

Strengthening of geospatial information management (for discussion and decision)

<i>Statement provided by:</i> Japan	
<i>Statement:</i> Japan thank the secretariat and the Expanded Bureau of the committee for the effort in tackling with broad issues practically and strategically to strengthen geospatial information management, especially convening of a Virtual High Level Forum in place of postponed the Sixth High Level Forum on Geospatial Information Management. Japan appreciates the effort to develop the third edition of the report on future trends in geospatial information management by the teams, and support the adoption of this document.
