

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 5 of the agenda

Integrated Geospatial Information Framework (for discussion and decision)

<i>Statement provided by:</i> Sweden	
<i>Statement:</i> Sweden notes the report on the Integrated Geospatial Information Framework. Sweden appreciates the leadership and dedicated work by the Secretariat supported by the World Bank. We also note the extensive consultation involving many member states. Sweden strongly supports the establishment of a high-level group of experts on integrated geospatial information management as a mechanism to continue the oversight and mobilize needed resources to maintain the momentum of the IGIF. Sweden expresses its interest in participating in the high level group.
