

**Committee of Experts on Global Geospatial
Information Management**

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 6 of the agenda

**Global geodetic reference frame
(for discussion and decision)**

<i>Statement provided by:</i> Kingdom of Saudi Arabia	
<i>Statement:</i> We commend the report of the Subcommittee on Geodesy for the Implementation of the Road Map and the Governance Position Paper on the Geodetic Reference Frame GGRF. We also support the agreement on the use of the ITRF / ITRS global geodetic reference system and frame. We also welcome the establishment of the Global Geodetic Centre of Excellence (GGCE) under the umbrella of United Nations, as well as the kind offer of Republic of Germany to host it in Bonn.
