

**Committee of Experts on Global Geospatial
Information Management**

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 6 of the agenda

**Global geodetic reference frame
(for discussion and decision)**

<i>Statement provided by:</i> Iran	
<i>Statement:</i> Iran appreciates the Subcommittee on Geodesy for developing the draft position paper on sustaining the Global Geodetic Reference Frame (GGRF) and draft concept paper on Establishing a Global Geodetic Center of Excellence (GGCE). Iran also supports Germany for its proposal to host the first GGCE as a member of the Subcommittee. Iran tries to contributing to the GGRF through the global and regional activities. We suggest the height datum unification be considered in the next step.
