

# **Committee of Experts on Global Geospatial Information Management**

## **Tenth session**

New York, 26- 27 August 2020 and 4 September 2020

Item 7 of the agenda

## **Geospatial information for sustainable development (for information)**

<i>Statement provided by:</i> Japan	
<i>Statement:</i> Japan has included Global Geodetic Reference Frame (GGRF) and Global Geospatial Information Management (GGIM) in the SDGs Action Plan 2020 under the leadership of the Prime Minister and through the participation of all Cabinet Ministers, on December 2019. Japan would like to congratulate all our colleagues in GGIM and especially the Geodesy Subcommittee for their relevant guidance. Japan continues to commit to the activities for the achievement of the Sustainable Development Goals in the context of Global Geospatial Information Management (GGIM).
