

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 9 of the agenda

Application of geospatial information related to land administration and management (for discussion and decision)

<i>Statement provided by:</i> Egypt	
<i>Statement:</i> I would like to thank the expert group on land administration and management for its efforts to advocate and raise awareness of the benefits of effective and efficient land administration and management. Also, we adopt the framework for effective land administration.
