

# Committee of Experts on Global Geospatial Information Management

## Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 9 of the agenda

### Application of geospatial information related to land administration and management (for discussion and decision)

<i>Statement provided by:</i> MEXICO	
<i>Statement:</i>	
<ul style="list-style-type: none"><li>• Mexico recognizes the work carried out by the Expert Group on Land Administration and Management of UN-GGM, in which it participates, and which has resulted in the development of the Framework for Effective Land Administration (FELA).</li><li>• For Mexico, the FELA is a relevant instrument that will allow the different institutions responsible for the cadastre to align their efforts and provide better results. In fact, INEGI's commitment is to promote knowledge and application of the Framework.</li></ul> <p>Mexico INEGI (Claudio Martinez)</p>
