

Committee of Experts on Global Geospatial Information Management

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 9 of the agenda

Application of geospatial information related to land administration and management (for discussion and decision)

<i>Statement provided by:</i> UN-GGIM: Europe	
<i>Statement:</i>	
<ul style="list-style-type: none">• UN-GGIM: Europe welcomes the report presented by the Expert Group positively noting its progress and activities since the ninth session.• The Regional Committee appreciates the broad global consultation and iterative review and editing process applied in consolidating the final draft of the Framework for Effective Land Administration.• The Regional Committee welcomes the FELA, noting positively that it is fully aligned with the IGIF, has been designed for both the developing and developed context, and acts as an overarching policy guide supporting the achievement of the SDGs.• UN-GGIM: Europe welcomes the desire of the Expert Group to engage with the Regional Committees to raise awareness and advocate the value of efficient land administration and management and will endeavour to do so in Europe.
