

**Committee of Experts on Global Geospatial
Information Management**

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 3 of the agenda

**Strengthening of geospatial information management
(for discussion and decision)**

Statement provided by:

Aligarh Muslim University, India

Statement:

The significance of valuable linkage of geospatial information requires to be given more emphasis by all regional and national level Organisations. We would like to extend our heartfelt congratulations to the authors of Future trend document version 3.0, a very useful document that should be adopted by UN-GGIM Academic Network.
