

**Committee of Experts on Global Geospatial
Information Management**

Tenth session

New York, 26- 27 August 2020 and 4 September 2020

Item 7 of the agenda

**Geospatial information for sustainable development
(for information)**

Statement provided by:

Aligarh Muslim University, India

Statement:

Our university is interested to inculcate training and awareness among post graduate students and researchers by participating in programmes of United Nations for adoption of the Sustainable Development Goals (SDGs) for transforming the world by 2030. The academic activities are planned to be conducted to observe, quantitatively, the achievements made and to identify the gaps.
