

**Committee of Experts on Global Geospatial
Information Management**

Eleventh session

New York, 23, 24 and 27 August 2021

Item 9 of the agenda

**Application of geospatial information related to land administration and management
(for discussion and decision)**

<i>Statement provided by:</i> CHILE	
<i>Statement:</i> It is relevant and essential to have the documents generated by the groups of experts in different languages, in order to reach more users and to be able to implement the guidelines that the Framework establishes, allowing their correct application in the member countries.
